INDEPENDENT AUDITORS' REPORT

To The Members
GDC Securities, LLC
929 Kings Highway East
Fairfield, Connecticut 06825

We have audited the accompanying statement of financial condition of GDC Securities, LLC, (the "Company"), as of December 31, 2007, and the related statements of operations and members' equity and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of GDC Securities, LLC as of December 31, 2007, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental information listed in the accompanying table of contents is presented for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplemental information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in our audit of the basic financial statements and, in our opinion, is fairly stated in all material respects when considered in relation to the basic financial statements taken as a whole.

GDC Securities, LLC
Notes to financial statements
December 31, 2007

1. Summary of significant accounting policies

a. Reporting entity. GDC Securities, LLC (the "Company"), a Connecticut limited liability company, operates as a broker and dealer of securities and investment products sold to individuals and closely-held businesses.

b. Basis of accounting. The accompanying financial statements have been prepared on the accrual basis of accounting.

c. Income taxes. The Company is treated as a partnership for federal and state income tax purposes and does not incur income taxes. Instead, the net income or loss along with related tax attributes are included on the personal income tax returns of the members and taxed accordingly. Therefore, the financial statements do not reflect a provision for income taxes.

d. Marketable securities. The Company acquired 100 shares of People's United Financial, Inc. common stock. The investment is accounted for as a "trading" security at market value which approximates cost. Realized and unrealized gains and losses are reported as other comprehensive income.

2. Net capital requirements

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rules, rule 15c3-1, which requires the maintenance of minimum net capital. It also requires that the rate of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of the "applicable" exchange also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1).

At December 31, 2007, the Company had net capital of \$17,190 which was \$12,190 in excess of its required net capital of \$5,000.

3. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in The United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

4. Other Income

The Company received \$35,000 as a "special member payment" relating to the merger of NASD and the New York Stock Exchange Regulations Committee in the formation of The Financial Regulatory Authority ("FINRA").

See independent auditors' report

Schedule 6

Edward H. Pikaart, Jr., CPA, CMA, CFM John J. Visconti, MS, CPA Maryellen H. Holford, CPA

REPORT ON INTERNAL CONTROL REQUIRED BY SEC RULE 17a-5

To The Members
GDC Securities, LLC
929 Kings Highway East
Fairfield, Connecticut 06825

In planning and performing our audit of the financial statements and supplemental information of GDC Securities, LLC, (the "Company"), for the year ended December 31, 2007, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including tests of such practices and procedures that we considered relevant to the objectives stated in SEC Rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of SEC Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by rule 17a-13.
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.
3. Obtaining and maintaining physical possession or control of all fully paid and excess margin securities of customers as required by Rule 15c3-3.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with accounting principles generally accepted in the United States of America. SEC Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations to internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of one or more internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including control activities for safeguarding securities, that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2007, to meet the SEC's objectives.

This report is intended solely for the information and use of the members, management, the SEC, the National Association of Securities Dealers, The Financial Regulatory Authority and other regulatory agencies that rely on SEC Rule 17-a5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

Pikant Visanti ; Associates, P.C.
